

MULTIFUNCTIONAL DEVICE (MFD)

Computer Hardware Enterprise Software and Solutions (CHES) is the Army's designated Primary Source for commercial IT. CHES provides competitive prices for genuine products and services!

The scope of the MFD contract includes purchase of MFD equipment, accessories, maintenance plans and associated consumable supplies; leasing of MFD equipment, accessories, maintenance plans and consumable supplies, to include Operating Lease and Lease-to-Own arrangements; Cost-per-Copy arrangements that include equipment, accessories, maintenance and supplies; all labor, transportation, parts, equipment and all required supplies (except paper, staples and binding tape), necessary for operation of digital MFDs. This contract includes installation, de-installation (during turn-in inspection/removing equipment), maintenance, repair and/or replacement, hard drive removal, training and diagnostic service calls to tenant units at CONUS Army installations and Army CONUS sites. Ordering is open to CONUS Army customers or other DOD customers located on Army installations and are available to use for equipment connecting to an Army network.
